## ACKNOWLEDGEMENTS

CHILDLINE Annual Report 2016 – 2017 has been made possible through the tenacious spirit and hard work of individuals who have operated behind the scenes, but without whose contribution this publication would not have been possible. We acknowledge the vital support we received from the Union Ministry of Women and Child Development, Government of India, State Governments, NGOs, bilateral /multilateral agencies and corporate sector. Directors of CHILDLINE partner organizations, city coordinators, centre coordinators, team members and volunteers of cities and CHILDLINE Contact Centre, teams that report data for all the CHILDLINE cities. We also recognize efforts of CHILDLINE teams working for networking and facilitation, training, research and documentation, Data Analytics and Communications and Strategic Initiatives both at the national and state levels.

Finally, to the children across the country who have placed their trust in CHILDLINE service.

And Constant Follow Up

CHILDLINE is a national, 24x7, free, phone emergency outreach service for children in need of care and protection, linking them to long term rehabilitation. Any child or concerned adult can call 1098 to access the CHILDLINE service any time of the day or night.

CHILDLINE is India's first national level response to its ratification of the United Nations Convention on the Rights of the Child (CRC). The CHILDLINE 1098 service also receives a special mention in the Juvenile Justice (Care and Protection of Children) Act, 2015.

## Vision

A child-friendly nation that guarantees the rights and protection of all children.

## Mission

CHILDLINE will reach out to every child in need and ensure their rights and protection through the Four Cs.

- Catalyze** : systems through active advocacy.
- Collaborate** : through integrated efforts between children, the state, civil society, corporates and community to build a child friendly social order.
- Connect** : through technology to reach the 'last mile'.
- Communicate** : to make child protection everybody's priority.

# CONTENTS

All CHILDLINE activities take place within the framework of the four C's. They form the firm foundation on which we stand, they permeate through our daily work as well as define our long term vision.

## CHILDLINE Emergency Services through Child Help Desk at Railway Stations gathers speed

India's railway network is one of the largest in the world – connecting the country and facilitating the movement of passengers and goods all around the year. It comprises 115,000 km of tracks over a route of 67,312 km and 7,112 stations. In 2015-16, the network carried 8.101 billion passengers annually or more than 22 million passengers a day!

India is also home to the largest number of children (39% of the population) in one single country in the entire world. According to even the more conservative estimates, at least 40% live in situations that make them vulnerable to abuse and exploitation. The largest segment of this population lives in urban areas, having travelled from small towns and rural areas to urban areas in search of livelihood, a means of existence, out of hope of a better life or even to fulfil dreams of meeting film stars they idolise. Many of them have come to the cities using the trains – either as individual runaway children or being brought by an organised trafficking network. Bigger stations are key transit points in this process.

The huge network, which is such an important lifeline of the country, is also misused and hence based on their experiences, CHILDLINES and other civil society organisations working with children in contact with railways, as well as in and around railway platforms, have advocated the need for focused programmes and special attention at important railway stations. These can become key outreach areas for identifying and assisting vulnerable children, as they are the first contact point or the most common mode of transfer of children.

With the aim of going beyond sporadic and spaced out efforts, CHILDLINE has always sought the setting up of an institutional mechanism to provide a safety net in and around the entire area, which involved partnership of multiple stakeholders. The aim was to rescue a child during transfer from safety to exploitation, or wean away a child living on the street and provide options for an alternative life. The objective was to respond to a child's need, before that need becomes a reason for exploitation and abuse.

During 2015-16, a unique initiative took shape and CHILDLINES were set up at railway stations as an institutional mechanism, a partnership between two key ministries and multiple civil society partners with a common agenda to address vulnerability of children and prevent abuse. A Standard Operating Procedure was formulated in March 2015 and a Memorandum of Understanding signed between Ministry of Railways and Ministry of Women and Child Development on 19.05.2015. Towards implementation of the above SOP, one of the operative instructions was to set up Child Help desks/ Kiosks/ Booths. These were to be manned by CHILDLINE partners that are receiving, rehabilitating and restoring children.

These Kiosks have been set up and help in providing immediate attention to children at railway stations who are found unaccompanied by any adults and thereby address the issue of runaway, missing, abandoned children and children in other difficult circumstances in a more systematic and institutionalized manner.

Being in as highly visible an area as a railway platform, not only does this mechanism prevent abuse or link a child with statutory bodies and services, it also provides large scale awareness about how a child can be helped and thereby promotes civic participation.

This initiative is currently operating at 33 railway stations including the 13 new Railway CHILDLINES added to existing 20 Railway CHILDLINES at New Delhi, Delhi (main), Nizamuddin, Anand Vihar Terminus, Mumbai Central, CST Mumbai, Howrah, Sealdah, New Jalpaigudi, Ranchi, Chennai Central, Chennai Egmore, Lucknow (NR), Lucknow (NER), Guwahati, Bangalore City, Patna, Varanasi Cant., Secunderabad and Nagpur. During the year 2016-17, 13 new Railway CHILDLINES became functional from railway stations including Mughal Sarai, Allahabad, Jaipur, Kharagpur, Malda, Tirupathi, Vijayawada, Visakhapatnam, Hubballi, Ahmedabad, Ratlam, Bhopal and Kalyan.

This is going to be extended to more railway stations progressively. CHILDLINE services are being provided to children who come into contact with the Railways, based on calls and cases reported to CHILDLINE 1098 or walk in referrals by concerned adults. Assistance to children includes protection of children from exploitative situations, production before Child Welfare Committee and linkages to long rehabilitative services. Upto March end 2017, Railway CHILDLINE has been successful in assisting 20,546 needy children, ever since its inception in March 2015.

## ACTIVATING STAKEHOLDERS IN CHILD PROTECTION

CHILDLINE India Foundation (CIF) constantly focuses its efforts on strengthening and systematizing Child Protection in India. This is achieved collectively and in collaboration with the Government of India, State Governments and Civil society organizations in order to make children's issues a priority on the National Agenda.

In addition, CHILDLINE discusses and dialogues with its partner network through various meets which result in universal programs and protocols to build an effective Child Protection practice.

## ADVOCATING CHILDREN'S ISSUES

Advocacy on Child Rights and Protection forms one of the core pillars of CHILDLINE's efforts towards a child friendly India. Advocacy and networking initiatives are practiced from the local Village Panchayats to the State and Central Government level. Recognition on behalf of these bodies allows for easy implementation of child helpline services across the country. These developments have significantly contributed to CHILDLINE's growth in each district/state.

The thrust of CIF Regional team's interactions and meetings with the different Government officials at the State , divisional or district level focused on working with the various stakeholders to facilitate implementation of the ICPS scheme, awareness generation and capacity building related to the POCSO, JJ Act, Child Marriage Prohibition and Child Labour Prevention Act.

### STATE ADVOCACY INITIATIVE ON CHILD SEXUAL ABUSE

State-wide POCSO Poster Release took place in Telangana during November 2016 (Childline Se Dosti Week) when two posters on POCSO Act were released by Police Department with CHILDLINE. Police department issued a circular to all SDPOs/ SP/CIs in Telangana State to display POCSO posters in all police stations and to extend possible support in rescuing and protecting children from any violence. The posters will be displayed in every police station and railway station of all districts of Telangana including new districts.

## DIVISIONAL LEVEL WORKSHOP ON CHILD PROTECTION

Special Police Unit for Women & Children (SPUWC) organized a Training Program in Self Defence Techniques (3rd Winter Camp) for women and children across Delhi in December. These camps became an important medium to spread awareness about CHILDLINE to a large number of children through street play and CHILDLINE presentation. The support and cooperation made by 11 revenue district CHILDLINES in implementation of such programme is instrumental to ensure child protection in the state successfully. CHILDLINE officials Ms. Heenu Singh and Mr. Shaiju Verghese were honoured by Commissioner and DCP (SPUWC) of Delhi Police for the success of the event.

## IMPLEMENTATION OF THE ICPS SCHEME

CHILDLINE has been constantly making an effort to provide knowledge about the Integrated Child Protection Scheme (ICPS), provisions of Juvenile Justice Act 2015 and the rights of children who come into Care and Protection and Conflict with Law to the relevant government officials and professionals working in the Judicial System such as Police, Judiciary, Social Welfare Officers, Child Welfare Committees, District Child Protection Units, Probation Officers etc.

**Andaman:** CHILDLINE team participated in awareness programme on child rights and child protection at Brindavan Gram Panchayat in coordination with DCPU and Unnati. The Deputy Commissioner of South Andaman district was invited as Chief Guest. Around 150 people including the anganwadi workers, community leaders and villagers were oriented on the services available under ICPS. A special session was taken by the Centre Coordinator on CHILDLINE 1098 service. Orientation programme with police personnel was also conducted in Hut Bay, Little Andaman by CHILDLINE.

**Panipat (Haryana):** An induction on Juvenile Justice Act 2015 and ICPS was organized by CHILDLINE and Legal Service Authority, Panipat for various government officials and social workers with objective of strengthening child protection system. Participants were from Judiciary (14 Judges and Magistrates from Senior and Junior Divisions), Police, District Child Protection Units, Child Welfare Committees, Child Care Institutions, J J Board and Community Volunteers.

**Daman & Diu:** Child Protection Society of U.T of Daman & Diu organized a workshop during child protection week with various members from ICPS Daman and Social Welfare during November 2016. CHILDLINE Silvassa Coordinator spoke about services of CHILDLINE 1098 and interacted with students on issues faced by children. Also pamphlets for awareness were distributed followed by coverage in newspaper.

## SENSITIZING ALLIED PARTNERS

CHILDLINE's pledge and primacy is crafting a protective environment for the country's children. There is a dire need to ensure that Child Protection and Child Rights are understood and practised by all stakeholders. Catalyzing allied systems including the Police, Health Care Organizations, Educational Institutions, Transport Undertakings, Telecom, Media and NGOs who have a large stake in child protection is vital in order to create a more sensitive and proactive society.

### CHILDLINE ADVISORY BOARD (CAB) MEETINGS

The CHILDLINE Advisory Board (CAB) is the principal policy making body of CHILDLINE at the city and block level. It is responsible for ensuring the effective functioning of the CHILDLINE service. While the composition of the board may vary according to the requirements of each town or city, the suggested members comprise of representatives from the Social Welfare Department, Women and Child Development, Municipal Corporation, ICDS, Education board, Police, Health institutions, Juvenile Justice Board, Railways, Media, Telecommunications, resource organizations, NGO's, corporate and concerned citizens.

The key tasks of the CAB include reviewing the functioning of CHILDLINE and suggesting measures to enhance the service. In every CHILDLINE City a CAB is formed as a protocol soon after the CHILDLINE service is launched in that city. The CAB acts as a panel that brings together decision makers of allied systems organizations and presents issues faced by children that are brought to the forefront through open house sessions and case interventions.

CAB meets are scheduled once every quarter and has proved to be a platform for CHILDLINE to directly interface with allied systems to resolve issues and ensure that all allied system organizations actively participate in Child Protection.

## THE VOICE OF INDIA'S CHILDREN

Child participation is one of the core principles of the United Nations Convention on the Rights of the Child (UNCRC) that suggests that children and young people have the right to freely express their say. Their views are listened to and they get the chance to participate in all matters affecting them within the family, schools, local communities, public services, institutions, government policy, and judicial procedures. CHILDLINE acknowledges this right of children and thereby gives the children a platform to interact with others as well as within their circles as a group over the imperative issues surrounding them facilitating a meaningful participation.

CHILDLINE's proclaims that when children are heard and involved, strategic changes can happen to ensure a greater impact on their lives. This belief has grown stronger with CHILDLINE's practice and over the decade of its service. Given the genesis of the CHILDLINE service, its identity continues to be linked to a deep-rooted vibrant relationship with children.

### OPEN HOUSE

An Open House is an open forum for children that allows them to speak, listen and debate on the issues faced by them in their everyday lives with the CHILDLINE team. This platform also provides an opportunity to the children to be heard and seek support from government as well as the allied systems representing a particular region/locality that are invited to participate in the open house. Held once a month, Open House is a tool for child participation to help identify problems faced by children and for us to receive feedback on the effectiveness of the CHILDLINE service. CHILDLINE then follows up with the decisions taken to reach a logical conclusion resulted from the mutual discussions in order to create a positive change for the children.

## RESPONDING TO CHILDREN IN DISTRESS

In India, CHILDLINE works with a phone outreach based intervention model with calls received by our Helpline 1098 being the means through which a cry for help is received. That's when the work begins. Local CHILDLINE teams are immediately alerted and they quickly reach the spot to carry out direct intervention. This includes a wide spectrum of options, ranging from rescuing a victim of abuse and offering SOS support to filing a case with the local police, taking up the matter with the concerned Child Welfare Committee (CWC) and then steering the case over the subsequent steps as directed by them. The CHILDLINE operational module involves interactions and linkages with allied systems such as the Police, Municipality, Healthcare, Education and Transport Institutions along with the Judiciary, Child Care NGO's, Local, State and Central Governments.

No two cases are alike. Some are easily and speedily resolved; others may require follow up for months on end. CHILDLINE received a number of calls from worried parents, sensitive adults, the community, well-wishers and the distraught children of India. The below-mentioned interventions/cases are a mere drop in the ocean of the work done by the CHILDLINE team.

*\* Details of the cases mentioned here have been changed to maintain confidentiality.*

### CHILD SEXUAL ABUSE

#### *15 year old girl child abused and became pregnant, parents hid her.*

A concerned adult from Chamba (Himachal Pradesh) called on 1098 asking to help out a 15 year old girl child who has been sexually abused by someone and now the girl has got pregnant. Child's mother is no more and father did second marriage. Moreover, the caller said that the girl is not seen at her house and he has no information on where is she now as this incident happened a month ago.

As per address provided by caller CHILDLINE team member (CL TM) went to child's home and talked to her stepmother about her. The lady said that the child had been missing from home for last 10 days. CL TM asked mother whether they lodged a missing FIR in the police station but stepmother had no answer to this question.

After a few days, CL TM called up the child's father who told them that the girl has come home now, so CL TM asked him to visit CHILDLINE Office along with the child. Father came to CHILDLINE Office with the girl child. CL TM did thorough counselling of the child during which team got to know that child had been hidden by parents only at their residence.

Thereafter CL TM produced the child before CWC. During further counselling the girl child admitted that she is pregnant. CL TM reported the case to CWC (Child Welfare Committee). As per CWC's order, a FIR was lodged in Teesa Police Station against the abuser. CHILDLINE team brought the child to Tanda hospital and admitted her as she was about to deliver. After a few days the child gave birth to a baby boy. As per CWC's order, mother (Child) kept in Gujjar Ashram Shelter Home and new born baby has been residing in Shishu Grah Shimla.

With the help of CWC and CHILDLINE's team intervention the girl child and her new born baby both are fine and living a healthy life.

#### *14 year old boy working in a college canteen physically and sexually abused.*

Child molestation happens when an older child or adult touches a child for his or her own sexual gratification. It has been found that one in every 33 children has experienced an attempt or rape situation in his/her lifetime. Child Molestation can be defined as the touching or fondling of the genitals of a child, or asking a child to touch or fondle an adult's genitals, or using a child to enhance pleasure from sexual acts or pornography, sexual intercourse, which includes vaginal, oral, or rectal penetration & rape.

A concerned adult calling from a well-known University of Delhi called on 1098 child helpline number and informed that in the college canteen a child aged 14 years who had been working in a college canteen was physically and sexually abused by another canteen worker. He is crying badly and shared this issue with some of the university students. Listening to him, some of the students called up police personnel and now the boy is under the supervision of the police. Caller asked CHILDLINE Team to help him in getting justice to the child.

After getting all the details CHILDLINE team member (CL TM) conducted a visit to the university while again telephoned the caller to know the case more precisely.

As soon as the CL TM reached university he found out that the child is under supervision of police personnel. CHILDLINE team did counselling of the child and during counselling session he opened up and shared that he came with uncle to work in Delhi. He was working in gate no -1 canteen and other canteen staff member regularly use to verbally and emotionally abuse him and yesterday he crossed the limit and performed sexual abuse. After noting down all details, CL TM produced the case in front of CWC (Child Welfare Committee), also did DD entry of the case in police station which was then followed by medical check-up of the child. On the order of CWC, the child was sent to Don Bosco shelter home where he stayed for some days in order to be recovered from the trauma.

Child got released from the abuse ordeal due to his braveness and constant psychological counselling by the CL TM and Shelter home. For this CHILDLINE team like to thank the students of university and CWC and the police personnel for supporting the child during this tough time.

## CHILD MARRIAGE

### *CHILDLINE prevented the girl's child marriage later enrolling her to school.*

Through 1098 CHILDLINE Jashpur, Chhattisgarh got information regarding a girl aged around 16 years who was being forcibly dragged into marriage. On getting information CHILDLINE immediately informed the matter to child marriage prohibition task force, CWC, local police station and DCPU. Immediately, a team was formed to rescue the girl. The team rushed to the girl's house and had a detailed interaction with the girl.

During the counselling session with her, it was found that she has studied up to Class V and could not continue her studies due to her family's poor financial background. Since she dropped out of the school and has been assisting her family in household work and at times used to work as a daily labour also. The girl wanted to continue her studies but due to family pressure related to her marriage she was little confused and disturbed and was worried about her future.

During the interaction, she admitted that though she has given her consent to the marriage but personally right now she did not want to get married. She has given her consent due to family pressure and taking into consideration her family situation. She urged CHILDLINE to convince her parents not to go ahead with the marriage. Also, she requested if CHILDLINE could help her in continuing her studies.

After listening to the girl, CHILDLINE had a detailed interaction with the parents of the girl, community people and girl's relative. All of them were thoroughly briefed about Child Marriage Prohibition Act, its legal implication and above all its effect on the girl's future. The parents as well as community people willingly accepted the team's advice and as a result the marriage was prevented.

Instruction from the CL team was given to local police station to follow-up the matter. The girl was rescued and produced before CWC. CHILDLINE with the help District Education Officer succeeded in enrolling the girl in class IX.

District administration along with community people praised CHILDLINE team for its role in preventing the girl's child marriage and enrolling her to school giving her a brighter future.

## CHILD TRAFFICKING

### *A girl child married off to rapist who used her for flesh trade.*

A girl aged 16 years was rescued from the Bhubaneswar Railway station by the volunteers of an NGO and Government Railway Police (GRP) and handed over to CHILDLINE Bhubaneswar during December 2016.

She was accompanied by a middle aged man and looked to be in a wretched state. Seeing the miserable condition of the child the volunteers of an NGO informed GRP that started interrogating with the man who got nervous with the matter and fled away from there. The child began to cry. Then she was rescued from the station and further interrogated. The child was in an emotionally, sexually and physically abysmal condition. She became very indifferent and not in a position to talk with anyone. GRP handed over the child to the CHILDLINE. CHILDLINE sheltered the child at Biswa Jivan Seva Sangha, one of the child care institutions in Bhubaneswar and counselled her carefully.

After a few days, the girl came to senses and finally succumbed to speak up and tell her miserable sequence. The child informed the CHILDLINE team that her father, a differently abled person and mother live in District Jagatsinghpur. While the child was returning from school, she was kidnapped from the road in a Bolero van by one man named Pradhan (name changed) who belonged to her village, accompanied by other men and they took her to Chennai. She was shocked with the

situation but next tragedy awaited her when Pradhan and all his friends took advantage of the situation and raped her. She was horrified and seriously traumatized and was beaten brutally. Pradhan locked her up in the room and every day brought a number of people who used to rape the child in the room. Pradhan used her as a prostitute and use to collect Rs. 5000 to 10,000 from each person.

After two months, she met one of her villagers and with him she returned back to her village. She did not disclose her brutal sufferings to any family members or anybody as Pradhan threatened her that if she disclosed the matter, her entire family will be killed. But the villagers and family members talked to Pradhan. He admitted that he kidnapped her and agreed to marry her as he kept sexual relation with her. In fear and apprehension, she got married to Pradhan. But she was again tortured by Pradhan and was used as a prostitute to entertain other men. Once she tried to escape but failed. After a few days, Pradhan brought her to Bhubaneswar railway station where the volunteers of an NGO took notice of her, informed GRP and together they rescued the girl.

CHILDLINE was constantly in touch with the girl and provided emotional support to her while she was at Shelter home. The matter was informed to police station and an FIR was lodged mentioning all relevant sections under IPC and POCSO at Kujanga Police station at Jagatsinghpur district against the accused. The accused was imprisoned. CWC Khordah restored the girl to CWC and she was kept in a child care institution there for better care and protection.

## MEDICAL AID

*Cancer is the second leading cause of death globally.*

The World Health Organization estimates that, Cancer is one of the leading causes of morbidity and mortality worldwide and was responsible for 8.8 million deaths in 2015. Globally, nearly 1 in 6 deaths is due to cancer.

CHILDLINE team has been conducting regular outreach activities to find out the children who are in distress and need care and protection and help them come out of distress and restore happiness in their lives. During outreach activities, team tries to identify the needy children and provide them support as well as spread awareness among people about CHILDLINE 1098- 24 hour toll-free helpline number for children in need of care and protection.

One fine day during the outreach program in Jammu, a team member received a call from a law student informing about a 13 months old girl child from Jammu who is suffering from first stage of cancer and requires immediate treatment to be cured of the disease costing up to 4 to 5 lakh rupees.

After getting all the details CHILDLINE team discussed the case with regional Red Cross team to sponsor the child. To arrange such a huge amount team took help from LAW students also. LAW students arranged some amounts within their friend circle. CHILDLINE team made every effort to arrange the money and at last the team could gather 4 lakhs rupees only.

CHILDLINE team provided that amount to child's parents and the treatment of child was initiated by doctor. With all the attempts CHILDLINE team was able to help the child by initiating her treatment for cancer. For this success Jammu CHILDLINE likes to thank LAW students and Red Cross department for their enthusiastic support.

## EMOTIONAL SUPPORT & GUIDANCE

*Girl was being harassed by three young boys on the way to her tuition class.*

CHILDLINE Murshidabad got a call informing that a girl was being harassed by three young boys in the street and the people residing there chased the boys and thereby rescued the girl. CHILDLINE on getting this information reached the spot and found the girl in a traumatic condition. Her house was nearby so CHILDLINE team member took her to her home and thereafter she calmed down. She shared with CL TM that those three boys have been troubling her since many days. They kept standing on the road on the way to her tuition class, stalk her and pass lewd comments on her. Because of this embarrassing behaviour she had become irregular in her classes too as she was scared of them. On that particular day the boys tried to get hold of her and when she started shouting the mob gathered and saved her.

CHILDLINE talked to the child's mother and asked her to lodge a complaint in the Police Station. The mother agreed and CHILDLINE facilitated the lodging of the complaint at Jalangi Police Station. CHILDLINE also assured the child so that she should not get terrified and in case she needed any support CHILDLINE would be there with her. Besides, CHILDLINE also talked to the neighbours and asked them to be alert if any such incident occurs again.

Initially, there was no action from the police's end, it was only after rigorous follow up from CHILDLINE that the three boys were identified and arrested. At present the girl child is safe at her home. She now steps out of her house without any fear.

## RUNAWAY / LOST CHILDREN

### *A run away child labour restored to her home.*

During January 2016, CHILDLINE Nagaon received a call from a reporter informed that he found a girl child standing alone at ASTC (Assam State Transport Corporation) bus stand. CHILDLINE team members reached that place and found her there. CL TM took the child, brought her at CHILDLINE office to provide food and began interrogating to know her whereabouts.

As per her statement she belonged to a very poor family and lost her parents when she was very young. She has one cousin sister who works as domestic labour and brother-in-law who is a rickshaw puller with three children. Total income of the family is Rs 5000/- which is not sufficient for them. Last year her cousin sister sent her to Mr. Agarwala's house at Guwahati to work as domestic labour to help them financially. But to her surprise Agarwala misbehaved and torture her due to which she ran away from his house from Guwahati to Nagaon. Understanding her situation CHILDLINE team produced the child before CWC and as per the direction of the CWC the child was referred to govt. shelter home. General Diary Entry (GDE) was lodged at Sadar Police Station and counseling was also done by the counselor. The child wanted to go back to her home at Tinsukia.

CHILDLINE Tinsukia and Tinsukia Sadar Police were contacted for child's home trace and Home Investigation Report (HIR) was received. After a few days, her cousin sister along with the Police came at CHILDLINE Nagaon office. Extra sitting of CWC arranged on the same day and as per the order of CWC the child was produced and handed over to her cousin sister.

At present the girl child is staying at her cousin sister's home. She never attended the school and showed interest to learn some new skill. With help of CWC, currently she is undertaking a cutting & tailoring course of 5 months duration.

The main motto of CHILDLINE was to do immediate restoration of the child. The continuous efforts of the CHILDLINE team members made it possible to restore the child to her home as well as ensure good care and protection for her better future.

### *Child abducted, kidnapper demanded ransom money.*

This is a kidnapping case from Thane district, Maharashtra in which a boy was abducted by a stranger who demanded a huge ransom money from the parents. The parents decided to approach CHILDLINE to seek help in the matter. CHILDLINE team displayed the strength of unity and confidence by taking quick and sensible action in this case and through collaboration with CWC, DWCD, ICPS and CIC to conduct a successful rescue operation to free the child. Finally, the child was rescued but was terrified and anxious about everything happened to him. Thus careful counselling of the child was conducted during which he spoke about how he was physically abused, mercilessly beaten and threatened to be killed by the kidnappers. CWC intervened and took a statement from the child, child briefed about the incident to CWC and further handed over custody of the child to his parents with a proper legal procedure followed.

The child is in good condition now and feels much better. The further intervention of the kidnapping case is going on by CIC to seize and punish the kidnappers under criminal proceedings. In this way, CHILDLINE team showed a presence of mind that resulted in the rescue of this child with the help of CWC, DWCD, ICPS and CIC under the proper procedure.

## CHILD LABOUR

### *8 to 10 children caught working as bonded labourers .*

Bonded child labour is a system of forced or partly forced labour under which the child, or usually child's parents enter into an agreement, oral or written, with a creditor. The child performs work as in-kind repayment of credit. India is sadly home to one of the largest number of child labourers in the world. The conditions in which children work is completely unregulated and they are often made to work without food and very low wages, resembling situations of slavery. These are the kind of cases CHILDLINE is dealing with special attention.

A concerned adult from Mumbai called on 1098 and informed that 8 to 10 children were engaged in work at an imitation jewellery shop. After getting the news CHILDLINE team reached the spot of the jewellery shop and found the children working there. CHILDLINE team again revisited the spot after a few days and finding children there in a bad state the team dialled the helpline no. 103. After 10 minutes police arrived, visited the factory and rescued 7 children from there. After that, the factory owner and children were taken to Bangur Nagar Police Station where the children gave the statements and the FIR was filed against the factory owner.

Children were provided with a temporary shelter at Dongari and then later were handed over to their parents. This how with CHILDLINE's assistance the children were rescued and thereby CHILDLINE team closed down the case.

### *Children indulged in rag picking and begging came out of it.*

Team members from Jaipur CHILDLINE spotted four street children indulged in rag picking and begging during an outreach activity. CHILDLINE Team Member (CL TM) met these children and had an interaction with them. They started by building a friendly rapport and then started questioning about their family and work. The eldest of them told that they are four siblings and had been residing in a nearby slum colony along with their parents. These children revealed that three of them used to go to school earlier but later they dropped out as they considered education as unnecessary. They stated that it was imperative for them to work so that they can earn their daily bread. Their father is an alcoholic and does not earn while their mother is also a rag picker.

It was observed that there is a spike in child begging and drop-out rate owing to the need to earn due to lack of parental support. Team members from CHILDLINE made a home visit along with these children and met their family. Team members introduced themselves as well as CHILDLINE to the parents of these children and this issue was thoroughly discussed with the family. This family belonged to low socio-economic strata of the society. It was found that the family migrated from Bihar to Rajasthan a few years ago for employment purpose. This migration led to discontinuity of education for children. Father's alcoholism also had its inverse effect on the family income.

Parents were then informed about the importance of education and how it will affect future of their children. Parents also understood the scenario and distressfully responded that even if they would manage to earn their daily bread by themselves (without making their children work) they would not have enough supplementary income to bear the expenses of schooling for all the four children. They were then informed about the provision of free education for children in government schools. They were also made aware of the mid-day meal scheme for adequate nutrition, free books and school uniforms provided by government without charge. The family was soon influenced and moved with this idea and vowed to enroll their children in the school. CHILDLINE team also assisted the family in getting required documents ready. This case was then discussed with the school authorities. School Principal has agreed to enroll the children for NFE (Non Formal Education) classes for now and later with the new session children would be transferred to the mainstream regular schooling.

This is how the four children indulged into beggary and rag picking found a new way of life enlightened by the flame of education and CHILDLINE thus ensured a better future for them.

## OTHERS

### *Special Education for a special child.*

Brother of a 17 years old mentally challenged girl approached Dadra & Nagar Haveli (Silvassa) CHILDLINE office and explaining about his sister's state asking help concerning special school admission for his sister from the CL team.

The CHILDLINE Team Member (CL TM), after collecting all the required information regarding the child from his brother, visited to DBRC (Disability Rehabilitation Center) of the city. CL TM explained the girl's brother about the admission procedure and asked him to submit her sister's all important documents including birth certificate, he told that he will submit all the documents. After some days CL TM called up the child's brother to inquire about the documents a number of times but he didn't receive the calls.

CL TM decided to go for a home visit and thereby they met the girl and her parents at their house. The Team informed child's parents about CHILDLINE and special school admission procedure and asked them to submit all the required documents as early as possible. Next day the girl child's mother came to CL office to submit the documents. CL TM Team submitted the documents to the DBRC (Disability Rehabilitation Center) and Team asked the mother to visit DBRC. The next day child's mother went to DBRC and took a note confirmation about school admission.

After a few days, CL TM called up girl child's father to confirm the status of child's schooling. The girl child's father informed that she is not feeling well so did not go to school from last two days. CL Team decided to call them up again after few days for follow-up of the case. When CL TM called child's brother, he informed that the girl is attending school regularly.

In this way, CHILDLINE team was able to provide distinct education to a special girl child.

### *CHILDLINE supported children to get a healthy MID DAY MEAL in school.*

The government of India initiated the National Programme of Nutritional Support to Primary Education (NP-NSPE) on 1 August 15, 1995. The objective of the scheme is to help improve the effectiveness of primary education by improving the nutritional status of primary school children. Though cooked food has to be provided, most states (apart from those already providing cooked food) chose to provide "dry rations" to students. "Dry rations" refers to the provision of uncooked 3 kg of wheat or rice to children with 80% school attendance. This scheme is mandatory and has to be followed by all schools or community in India. CHILDLINE's one of the primary goals also is to work to improve the status of education in India.

One day CHILDLINE received a call from Maharajganj district, U.P. where the caller complained that some children are not getting the proper food under the Mid Day Meal Scheme. CHILDLINE team member discussed about the situation of the MID-DAY-MEAL Scheme. As per the caller the food provided by the school authorities to students is insufficient and of poor quality. Even after frequent complaints to school, the food quality has not improved. Children feel helpless about the situation and do not know whom to complain now.

Noting down the case, on the same day CHILDLINE Team Member (CL TM) visited the particular school and meet with the School Principal to know about the irregularity of the meals. School Staff informed CL TM that they are unable to improve the quality or irregularity of the food because the food distributed by them to children is sent to them by Government authorities and the school cannot do much about it. However, after CL TM stressed on the issue, the Principal agreed to write a letter to the concerned Government Authority to look into the matter and do something in the area.

This is how CHILDLINE made the school and Government authorities to keep a check on the Mid Day Meal Scheme for children.

## NGOs, police to join hands against child abuse in city

An action plan was discussed to deal with child labour, trafficking & begging

dna correspondent @dnaahmedabad

**Ahmedabad:** Childline Helpline (1098), senior police officials including the DIG and numerous non-profit organisations that work for children's development and

welfare met on Monday to develop an action plan to work jointly to resolve children's issues.

In the preliminary stages of development, the action plan will focus on issues of child trafficking, child labour, child begging and child abuse.

The plan focused on utilizing the police force to help control the problem and spread awareness among perpetrators as well as children.

"A majority of children em-

ployed at construction sites are accompanied by parents. Now, we will make sure Child Welfare Officers (CWOs) ensure that children of construction labourers are looked after in a safe place at the site. We will give two warnings, after which we will act against the construction site owners," said a senior police official.

Other than that, CWOs will be alerted according to the plan, and will patrol places where children are likely to be employed.

Along with the Childline Helpline, at least 30 other non-profit groups expressed concern about the plight of children. "Inputs from non-profit groups that work at a grass-root level will give us the real picture and indicate the real hindrances in applying these rules," said Anandi Patel, city coordinator Childline Helpline.

Sources said with these preliminary talks the issue has been tabled, and a more detailed plan will be formulated in December itself.

## Helpline turns lifeline for children

940 rehabilitated | 264 rescued from abuse | 332 provided emotional support

AMBIKA SHARMA  
THROUGH NEWS EDITOR

**SOLAN, JANUARY 21**  
As many as 940 children have been rehabilitated and provided relief by 1098 Tele Helpline — CHILDLINE—in the last five years in Solan, with 264 having been rescued from abuse.

The figures were shared by CHILDLINE's district coordinator Anita Sharma at the 4th task force meeting convened under the chairmanship of Deputy Commissioner Rakesh Kanwar today. Representatives of departments like Police, Health, Education, Child Welfare Committee, Social Justice and Empowerment were in attendance.

The fact that as many as 332 children have been provided emotional support and guidance in the last five

years is an indication of the vulnerability of these hapless children. Data revealed that while 108 children were provided medical help, 39 benefit of shelter were provided care and 32 were united with their families. Eleven cases of missing children were also reported while 30 cases of children lost in the

district were also dealt with by the helpline. An isolated case of death of a child was reported in 2014-2015.

Children facing varied problems like conflict with law or those whose parents sought help were also referred to the helpline and they were provided relief. While merely 81 cases were referred to

## Child marriage stopped in nick of time

STAFF REPORTER  
BERHAMPUR

The marriage of a Class X girl scheduled for Thursday at Kanchudu village in Ganjam district was stopped following timely intervention by the police and the administration.

A friend of the victim had called up Childline on 1098 on February 26, said Berhampur Childline director Sudhir Sabat. A probe was started.

Since the allegation was found to be true, Childline informed the Ganjam district administration, Ganjam District Child Protection Officer (DCPO) Subodh Kumar Sadangi and the police about it.

The authorities had to act fast as the marriage was scheduled for Thursday noon. Moreover, the girl also had to appear for her Class X board examination.

On March 1, a high-level team reached Kanchudu village. They held discussions with the parents of the girl as well as leaders of the community.

## Maneka Gandhi for 'zero tolerance' on child begging

MPOST BUREAU

NEW DELHI: Union Women and Child Development Minister Maneka Gandhi on Friday pitched for "zero tolerance" for child begging.

"We have decided to come down heavily on children begging. I am planning a meeting with the Commissioner of Police and say zero tolerance (sic). I am not against begging but there should be no children on the street for begging," Gandhi said at a conclave hosted by FICCI Ladies Organisation.

She said she will also meet the Delhi Police Commissioner to curb child begging in the national capital.

The National Commission for Protection of Child Rights (NCPCR)- the apex body for

children under the Women and Child Development Ministry- had recently released its 'Standard Operating Procedure (SOP) for Children in Street Situations'.

The SOP lays down a sequence of actions to be taken for restoration and rehabilitation of street children. It has assigned NGO 'Childline' to be "the first point of contact" for rescuing street children.

Children recovered by the NGO will next be produced before a Child Welfare Committee (CWC).

Thereafter, the CWC will pass an interim order for short-term care and will send the child to the nearest Child Care Institute (CCI) or a "fit person" until his or her family can be contacted.

## Man in Kerala held for sexual abuse of siblings

THIRUVANANTHAPURAM, DHNS: The police in Malayinkeezhu in Thiruvananthapuram on Friday arrested a 26-year-old man for sexually abusing a five-year-old girl and her older brother, aged nine. The police said the boy was undergoing treatment for cancer.

The accused, Vinod, a resident of Kutichal here, is a close relative of the siblings' mother. The boy is learnt to have told his mother about the abuse. In Later, with the help of one of his teachers, she informed members of the district Childline, leading to police action.

According to the police, the siblings were being abused for a couple of months. Vinod used to visit their house under the pretext of enquiring about the boy's health. He had threatened the children against speaking about the abuse. Two cases

have been registered under the Protection of Children from Sexual Offences Act.

Kerala has, over the past couple of weeks, seen at least six cases of rape and sexual abuse of minors registered, leading to a renewed debate on the safety of women and children in the state. The police is facing allegations of having bungled the investigation into an alleged suicide of two minor sisters, aged 14 and nine, in Walaray in Palakkad district. Reports have since emerged on the possibilities of the girls having been abused.

A Catholic priest, Fr Robin Vadakkancheril, was arrested last month for the rape of a minor in Kannur. In Kalpetta, Wayanad, six men were on Monday held for sexually abusing seven minor girls, all inmates of an orphanage.

A timely phone call to Childline on 1098 saved one more school-going girl from the menace of child marriage in Ganjam district of Odisha

The marriage of the Class X student from Sindurpur village under Chatrapur Block was scheduled for Monday, sources from Childline said. Concerned about her plight, the victim's friends contacted Childline on March 4.

According to Berhampur Childline director Sudhir Sabat, they received a call from the victim's friends in

the evening.

The issue was taken up immediately with the police and administration.

A team of the District Child Protection Unit (DCPU), led by B. Bairagi Patra of the Ganjam Child Welfare Committee and police officers, reached the village on Sunday.

They held discussions with the minor's parents, relatives, the local sarpanch and senior community leaders to impress upon them the illegality of their decision. Following this, the girl's parents and relatives decided not to get her mar-

ried.

## Written undertaking

The parents gave a written undertaking to that effect, also signed by their daughter, Mr. Sabat added.

The telephone numbers for contacting both Childline and the government's Students' Helpline are displayed in every school. These numbers have helped prevent at least nine child marriages in Ganjam district since April 2016.

Usually, the victims or their friends and relatives call up these helplines after failing to reason with the

family.

A call to Childline on February 26 by the victim's friend helped prevent her marriage, scheduled for March 1 at Kanchudu village under Buguda police station.

## Another case

In another instance, a Class IX student from Sabulia under Rambha police station tried to reason with her parents against her marriage, scheduled for February 1. When that failed, she called up the Students' Helpline seeking help from the administration. Her marriage too was prevented.

# Shopkeepers attack Childline volunteers

STAFF REPORTER  
KOCHI

A team of Childline volunteers, inquiring into a complaint of child labour at a hotel near Edappally, was allegedly attacked by the eatery owner and other shopkeepers in the area.

Childline officials said one of their team members was manhandled after they attempted to talk to a child worker. The boy, a native of West Bengal, is 16 years old, according to the Aadhaar card produced by the hotel owner, but the volunteers raised suspicion.

A four-member team from Childline, including

three women volunteers, reached the hotel upon receiving a complaint.

Even as the volunteers were asking about the whereabouts of the child, the hotel owner allegedly gestured him to run. "The boy attempted to escape even as Vysakh, a Childline volunteer, attempted to stop him. Following this, the hotel staff manhandled him, while abusing the women volunteers," said Nirsih Antony, coordinator, Childline Kochi.

The Elamakkara Station House Officer has directed the hotel owner to present the boy within 24 hours.

# Cops on the look out for teacher who sexually abused blind student

Kozhikode: A class VI student of a blind school at Kolathara, here, was sexually assaulted by a teacher of the school. Nallalam police registered a case against the crafts teacher Firoz Khan, 40, under Sections 7, 8 and 9(f) (k) of the Protection of Children from Sexual Offences (POCSO) Act, on the basis of complaints filed by the student and later by the school authorities. The incident came to light when the student revealed that the teacher had assaulted her in the classroom and the toilet four months ago, to some other teachers in the school, who then reached out to Childline officials.

# Minor rescued from domestic labour

CHENNAI

A 12-year-old girl was rescued from domestic labour from a house in Anna Nagar by Childline volunteers following a distress call from one of the neighbours. The girl was reportedly made to work all day with low pay, no rest and inadequate food. "She looked famished and scared when she was brought to us," said an official from Child Welfare Committee. The girl, a native of Tiruchi, was brought to the city by the couple, both of whom are working professionals, a few years ago. Officials said the girl had several burns inflicted by her employers.

# Sexual abuse of children on the rise

Average age of victims involved in sexual abuse cases has come down, says Childline coordinator

HIRAN UNNIKRISHNAN  
KOCHI

Two days ago, the city police arrested a 32-year-old migrant worker from Edappally on charges of sexually abusing his 11-year-old niece.

Preliminary investigations revealed that Sheyasi Sheikh, a native of Uttar Pradesh, had abused the girl on several occasions. Her ordeal was revealed when a neighbour witnessed the incident even as her parents remained in denial for long. They eventually succumbed to intense grilling by the police and the accused landed in police custody.

According to the Childline

## SAFETY AT STAKE

- Childline intervenes in 90 child sexual abuse cases from April 2016 to February 2017
- Number of cases reported by Childline rises from 53 in 2013-14 to 68 in 2014-15
- 2,093 child sexual abuse cases registered during 2016
- Thiruvananthapuram tops list with 246 cases, Malappuram reports 241 and Ernakulam 207

activists, the incident is just the latest in a string of child sexual abuse cases that have rocked the region.

There has been a steady rise in the number of such cases reported from the region over the last couple of years, they say.

The statistics available

with the agency also corroborates this.

For instance, the agency intervened in over 90 child sexual abuse cases from April 2016 to February 2017 as against 81 cases during the previous year.

The number of abuse cases reported by the agency

steadily rose from 53 in 2013-14 to 68 in 2014-15.

## Violence against children

"Complaints of violence against children, which include all forms of physical and psychological assaults at home, school or even inside school buses, have shown a steady rise over these years. Adding to the concerns, the average age of victims involved in sexual abuse cases has come down to 10-11 years from 15-16 years reported a few years ago," says Childline (Kochi) coordinator Nirish Antony.

The statistics available with the Kerala police show

that the district with 207 cases registered under the Protection of Children from Sexual Offences Act 2012, stands third in terms of the number of child sexual abuse cases registered in 2016. Of the 2,093 cases registered during the year, Thiruvananthapuram tops the list with 246 while Malappuram stands second with 241 cases.

A senior officer with the Kochi city police says there might still be cases that go unreported. In some cases, the police find it tough to convince the guardians of the child victim to file a police complaint.

## Childline effort against minor marriages pays

TRICHY: In a major move to prevent incidents of child abuse, the Childline has introduced child rights clubs in 330 schools across Tiruchy district through which teachers and students will be trained in mandatory reporting.

This apart, the Childline had roped in college students to act as volunteers to create awareness of child rights and sensitize the school members to child abuse prevention activities. So far, the Childline in coordination with other departments has rescued 136 minors, including 51 girls, from wedlock.

Speaking to the reporters on Saturday, the Childline Director J Godwin Prem Sishu and the City Coordinator S Thiagarajan said as many as 41 awareness programmes have been organised during the last fiscal year (till March 15) in schools and students were sensitised to child health, education, law and order and child trafficking.

## CHILDLINE CONTACT CENTRE (CCC)

The CHILDLINE 1098 service is a 24-hour free emergency phone outreach service for children in need of care and protection. The voice of every distressed child reaches us through the CHILDLINE Contact Centre (CCC), the central facility to which all 1098 calls are directed. CHILDLINE adopted the contemporary technology of a Call Centre in 2008 to ensure a more systematic approach to Call Management and Documentation.

The CHILDLINE service needs to reach every corner of the country to ensure that every distressed child's cry for help can be heard and responded to. With this aim, CHILDLINE has used contemporary technology and systems to set up the CHILDLINE Contact Centre (CCC), a central facility to which all 1098 calls are directed. The center uses the same systematic approach to Call Management and Documentation that is used by other Call Centres.

Every CHILDLINE Contact Centre (CCC) offers a 24-hour voice response service using the setup of a contemporary Business Process Outsourcing (BPO) facility. CCCs answer calls at the national level, 24x7 from children in need of assistance and ensures that every child who calls 1098 is provided help through partners at the local level.

CCC is staffed by CIF staff and the technology/infrastructure is outsourced to TCS using cloud-based connectivity.

### HOW CCC FUNCTIONS

Once a call is received at CCC on 1098, it is answered by a trained CHILDLINE Contact Officer (CCO). If the call resolution can be completed on the phone it becomes a CCC operation. However, in calls requiring Direct Intervention, the CCO will list the details and make an outbound call to the Collab Partner (the CHILDLINE Interventions unit) in the city where the call has come from.

Then the Collab partner takes over and indicates to the CCC an estimated time of intervention and post the intervention, reports the complete case details to the CCC. This enables the CCC to complete the case documentation. Sometimes the caller speaks in a local dialect. In such cases, the CCC facilitates a conference call with the local Collab Partner.

During the year 2016-17, 36 new seats were added to four CCC sites at Vatika (Gurgaon), Ecospace (Kolkata), Tektower (Chennai) and Thinkcampus (Bengaluru). Now, CCC operates with 133 seats on a 24-hour basis across five locations: North receives partial calls from the Northern region, Chennai services calls from the Southern region, while Bengaluru exclusively services calls from Karnataka. Mumbai, which is split across 2 sites, services calls from some parts of the Northern region and the entire Western region, while the Kolkata CCC services the Eastern region.

## EXPANSION MODEL

- Remote located Primary data center in Mumbai and disaster Backup Secondary data center in Chennai which is under testing.
- Data Centre to host CRM software server, Call recording server, Genesys platform server, Data backup server.
- These are connected via MPLS (Multiprotocol Label Switching) Cloud to each CCC location.
- CCC locations at TCS facility in each city is linked to data centers via MPLS cloud-based connectivity.
- Vendors include : Tata Consultancy Services (TCS) for hosted solution model (data centers and MPLS connectivity) and for CCC facility in each city and Talisma for CRM software.

## CHILDLINE GOES BEYOND THE SERVICE

The year 2016-2017 saw a further progress and innovation in CIF's communication tools, issue based projects, publications, media associations, corporate tie-ups and rigorous awareness programmes at the state and national level.

Constant updates on social networking sites, interactions with our ever-growing database and engaging awareness campaigns/events were carried out across the nation, helping us to reach an ever widening audience.

### ISSUE BASED PROJECT

#### CHILD SEXUAL ABUSE AWARENESS PROGRAMME (CSAAP)

CHILDLINE India Foundation has been in the forefront of the campaign against Child Sexual Abuse. The Child Sexual Abuse Awareness Program (CSAAP) launched in 2011 is a unique initiative that started in the city of Mumbai, Navi Mumbai and Thane, supported by HDFC in initial two years. As of March 2017, with the extension of program in Bengaluru city, CSAAP has reached out to more than 1700 schools sensitizing around 6,20,000 children with over 300 trained lady volunteers. During March 2016 to 2017, the CSAAP team has covered around 170 schools reaching out to approximately 70,000 children making them aware of what is safe and what is not.

Within the period, in Mumbai and nearby areas, the team covered around 122 schools sensitizing 39,030 children. Through various initiatives and tie-ups undertaken, CIF team regularly trains a number of volunteers, with 30 active volunteers presently working for this cause in Mumbai area. The training workshops were held two times during the reporting period. These workshops include a detailed session on CSA on the first day – what constitutes as child sexual abuse, what are its indicators, types of CSA, what to do in case of disclosure etc. and covers communication skills on the second day.

CSAAP is a preventive and sensitization program for children. As the program is essentially centered on sensitization for CSA prevention, the valid measurement for impact is to evaluate through an appropriate methodology, the effectiveness of the communication received by children via the storytelling format. Have children comprehended the concepts of safe/unsafe touch and personal safety rules? Are schools reporting that the program is effective and are schools asking for the program to be continued/extended for Pre-school or Higher Secondary students? During 2016-17, 50 schools were assessed in Mumbai and nearby areas out of those schools where sessions were completed in the last year.

Simultaneously the CSAAP team also conducts CSA awareness sessions for teachers, parents and members of Housing Societies etc. as spreading information about CSA helps in the long run. CSA awareness sessions for parents or teachers of schools, not only makes them more aware of the current scenario, but interested candidates also go a step further and sign up to volunteer with the CSAAP team in conducting these sessions and making more children aware.

#### CSAAP in Bengaluru

Due to the increase in the number of reported CSA cases and a strong demand for the program in other cities, the program was duplicated in Bengaluru and therefore CSAAP Bengaluru began in August 2015. As the program is gearing up to spread in the city, during 2016-17 the program team covered around 78 schools reaching out to approximately 33,445 children. CIF team has been training volunteers through workshops held two times during the reporting period, with effect of which 20 active volunteers are working for this cause.

#### CSAAP Developments

Currently, the program caters to children aged 7-12 years, i.e. roughly those in the 2nd to 6th standards (which according to the MWCD report – is the most vulnerable age group of children). Even though CSAAP has reached out to more than 5 lakh children, that still leaves out a large chunk of the child population in the city. Therefore, as per demands from various schools and institutes, CSAAP is now working on similar awareness modules for Pre-primary children (0-6 years), Secondary school children (13 – 16 years) and special children.

## CAMPAIGNS

### WORLD DAY AGAINST CHILD LABOUR

In 2002, the International Labour Organization (ILO) gave a call for observing June 12 as World Day Against Child Labour (WDAKL). It was conceptualized as a day on which a wide range of activities would be taken up to motivate society to fight against child labour and raise consciousness about the plight of the millions of children who work as paid or unpaid labourers and are extremely vulnerable to exploitation. Ever since then, governments, various organizations and society at large participate in programmes to speed up the elimination of the menace of exploitation through child labour.

All across India, CHILDLINE teams observe this day by conducting a variety of programmes – from signature campaigns, creating awareness through posters, pamphlets, street shows and other types of communication etc. and call on people to raise their voice and 'Say No to Child Labour!'

### Highlights from the Campaign

- CHILDLINE Andaman conducted a series awareness programmes on World Day Against Child Labour in schools.
- School programme was conducted by CHILDLINE Ambala with DCPU in G.S.S. School Ugara in which a rally was organized on child labour and team tied Dosti Bands to children and teachers. They also spread awareness on Child Helpline no 1098 and discussed about child rights and issues including POCSO ACT 2012.
- CHILDLINE Agra organized a rally event in which District Probation Officer also participated along with 100 children from different communities.
- CHILDLINE Hisar team contacted all the shop-owners association of market area and appealed them to join the signature campaign that started from the Subhash market to other market areas. The shop owners participated actively in the campaign and took the pledge "Not to employ any child labour" through signing in the signature board. About 300 shopkeepers agreed to paste the sticker mentioning "Mein Bachcho ko Kam Par Nehi Rakhta aur Aap?" in their shops.
- CHILDLINE Karnataka observed the day by organizing mass awareness drive with a number of activities including jaatha, oath-taking,, screening of child labour video in schools, message campaigns, child labour rescue/raid campaign, placing of CHILDLINE stalls, display of CHILDLINE banners, posters, placards and slogans around the cities across Karnataka.
- CHILDLINE Wardha conducted a rally on World Day Against Child Labour with a number of children following and campaigning against the child labour.
- CHILDLINE Solapur planned a mass awareness and sensitization drive at various schools to guide the children to stay away from any kind of child labour and to stand against it. Team also distributed pamphlets and CHILDLINE Flags and appealed children to call 1098 if any child labour case found by them.
- CHILDLINE Amravati celebrated the day by sticking CHILDLINE banners on many auto rickshaws of the city to make awareness on CHILDLINE as well the menace of child labour.

## CHILD SEXUAL ABUSE PREVENTION CAMPAIGN

The United Nations has defined child sexual abuse as contacts or interactions between a child and an older or more knowledgeable child or adult (a stranger, sibling or person in position of authority, a parent or a caretaker) when the child is being used as an object of gratification for the older child's or adult's sexual needs. These contacts or interactions are carried out against the child using force, trickery, bribes, threats or pressure (UNICEF, 2003).

With growing number of such cases, awareness related to child sexual abuse prevention has become a regular programme of CHILDLINE across India during the past few years. The CSA campaign was taken up Pan India and sensitization programmes for different stakeholders and grassroots workers were slated across the year (during April 2016 to March 2017) to show the significance and the need for preventing the same in society.

## CHILDLINE SE DOSTI

CHILDLINE India Foundation (CIF) constantly focuses on strengthening and systematizing Child Protection in India through its efforts. These efforts are carried out collectively and in collaboration with the Government of India, State Government and Civil society organizations in order to make children's issues a priority on the national agenda. In addition, CHILDLINE discusses and dialogues with its partner network through various meets which result in universal programs and protocols to build an effective Child Protection practice.

Launched in 2007, the week-long countrywide celebrations have grown into ever expanding ripples, with newer centers taking up the campaign in varied and increasingly interesting ways. With each year we are moving forward to acquainting more and more people and communities with the concepts of Child Rights and Child Protection, encouraging and inspiring them to take a more proactive role in their immediate environment to help children in need.

Across India, CHILDLINE teams visited police stations, government offices, educational institutions, hospitals and transport centers such as railway stations and bus stands and even ventured into slum community pockets with street plays, awareness meetings and public rallies, cultural, entertainment and sports programmes and much, much more.

We offer a glimpse at some of the highlights of CHILDLINE Se Dosti Week 2016.

## EVENTS

### Standard Chartered Mumbai Marathon 2017

The CHILDLINE India team actively participated in the 14th edition of Standard Chartered Mumbai Marathon (SCMM) on January 15, 2017. It was a momentous day as CHILDLINE India Foundation (CIF) saw the support of some major corporates and donors. A bevy of energetic corporate teams ran the race for CHILDLINE this year under the Corporate Challenge and We Care categories. Sanofi India Ltd, Tata AIG General Insurance Company Limited, Universal Medicare Pvt Ltd (Geltec Pvt Ltd), SBI General Insurance Ltd and SNTD College generously supported CHILDLINE.

The support from the individual fundraisers was equally tremendous as they took up their marathon campaign with great passion. Mr. Rajat Gupta, CIF Trustee, ran a fabulous drive as a Change Leader. Mr. Gurpreet Singh and Mr. Sunil Rawlani ran a superb campaign as Change Makers. Dr. Mathew T.J roped in a large number of donors to support his race for CHILDLINE. Similarly, Mr. Sushant Kumar raised valuable resources for the cause.

CHILDLINE applauds all its supporters- Corporates and Individuals, who came out in large numbers and created an enthralling display of excitement and social commitment. We thank our Change Runners, Dream Runners as well as our Corporate Challengers who flocked the race venue and joined CHILDLINE to help further the cause of child protection.

## Royal visit by Prince William

The Royal Highnesses Prince William (son of Prince Charles and late Princess Diana) and Princess Catherine, Duke and Duchess of Cambridge, came visiting to India on their maiden trip in April 2016. For the royal visit, the British Council piped in with an event planned at the Training grounds of Ex India Cricket Captain, Dilip Vengasarkar at Cross Maidan and CHILDLINE was invited to put a tent to display their work of protecting and assisting needy children to the Royal couple as they were particularly interested in knowing about child issues.

On Sunday 10th of April, as preparations were on for the Royal couple to arrive, Sachin Tendulkar came and so did the media brigade. The CHILDLINE tent was first in line out of the other three tents as the Royal Highness arrived and a group of children with a puppet skit demonstrated the CHILDLINE outreach services. Around the stall, there were large panels covering our activities. Prince William carefully analyzed the work of CHILDLINE India Foundation and children performing the puppet show. The Royal couple interacted with the children and listened with astonishment to the scale of CHILDLINE operations across India. Later some of the children were asked to join the Royal couple, Sachin Tendulkar and Dilip Vengasarkar in a game of cricket where the couple showed a flair for the game hitting boundaries!

Chief Educational Officer Kanyakumari shared CIF's much acclaimed film 'Komal' in English and Tamil language on their official webpage to be watched and downloaded by viewers.

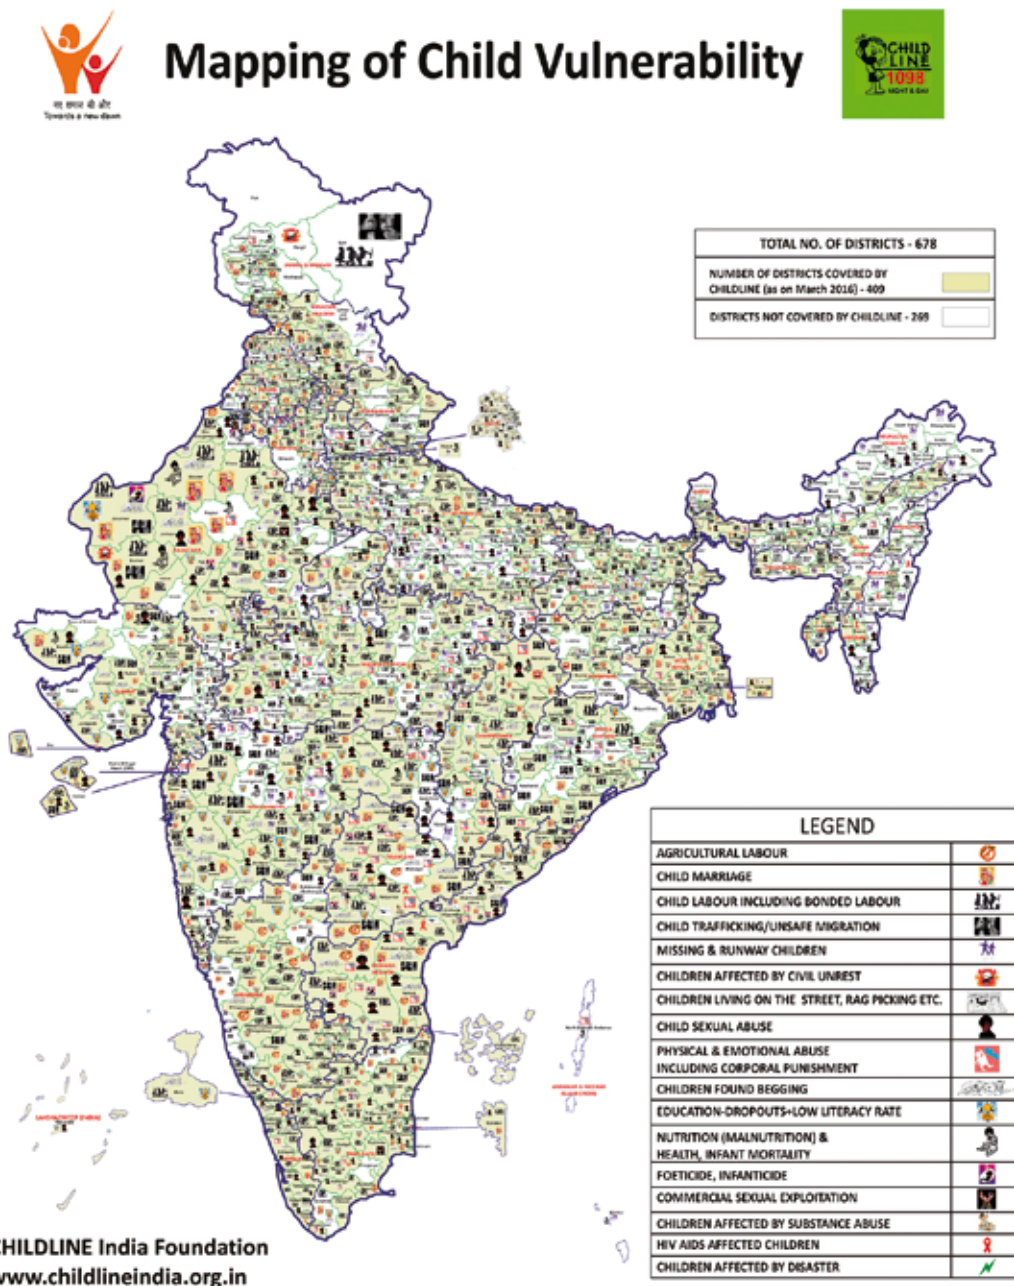

## CHILD VULNERABILITY MAP

CHILDLINE India Foundation prepared the 'Child Vulnerability Map' - a district-wise map depicting problems facing children across the country that was released by the Ministry of Women and Child Development on January 24, 2017 as a part of the National Plan of Action for Children.

The 'Child Vulnerability Map' covers 409 of total 678 districts in the country. It highlights vulnerabilities like child marriage, child trafficking, missing and runaway children, child labour, children affected by civil unrest, child sexual abuse, dropouts and low literacy rate, malnutrition, foeticide, and HIV affected children.

Odisha, West Bengal, Bihar, Jharkhand and Maharashtra have been highlighted on the map as child trafficking-prone states, while Maharashtra, Madhya Pradesh, Uttar Pradesh and Chhattisgarh as worst affected by malnutrition. North-eastern states including Arunachal Pradesh, Assam, Manipur, Nagaland and Mizoram have fared poorly in tackling child malnutrition.

### HT Parekh Foundation

HT Parekh Foundation supported up-gradation of four children's homes run by two partner organizations of CHILDLINE India Foundation, in Assam:

- Indian Council For Child Welfare, Guwahati
- Gram Vikas Parishad, Nagaon

The project included infrastructure up-gradation, providing furniture and equipment required by the shelter homes, vocational skill training to the senior children and specialized training for the shelter staff for dealing with children. The workshops mostly focused on nutrition for children, health-related issues, counselling skills and child protection policy.

The grant also helped CIF to conduct a three-day refresher training for about 50 CHILDLINE Partner coordinators in West Bengal. The sessions were on best practices in responding to the crises situations during the interventions as well as laws and regulations governing these.

### HSBC Payroll Giving through United Way

HSBC has been running a Payroll Giving Program to enable its employees to donate to CHILDLINE. These contributions are transferred to us through the United Way of Mumbai for critical medical care of children and up-gradation of shelter homes.

### Azim Premji Philanthropic Initiatives (APPI)

APPI and CIF engaged in an interaction to explore possibilities of strengthening the ongoing CHILDLINE intervention programs on railway stations.

A preliminary meeting was held on Jan 20, 2016, in Bengaluru between the senior management teams of both organisations to understand the requirement and modality of such partnership. This was followed by an indication by APPI that they would be willing to consider financial support for strengthening the services on railway stations across various zones where CHILDLINE has a presence. This financial support was intended mainly to help fund activities that are currently not supported under Integrated Child Protection Scheme (ICPS) and to add value to the interventions so that a sustainable impact could be created. The funding was envisaged to be for about Rs 30 crores over a period of 6 years. The focus was to provide interventions which could bring considerable change in the quality of rehabilitation and life of children rescued from railway stations. Part of the funding would also be to strengthen the fundraising and organizational development processes and structures. The program was approved by the Governing Board (GB) towards March 20, 2017. Subsequently the Grant Agreement was signed between APPI and CIF on March 23, 2017.

## SCHOOL PROGRAMS

### Program on Healthy Lifestyle

A program on health care was organized by CIF for about 500 school students and the staff members during which Dr. R.K. Saxena dealt with the topics of:

- Good and healthy lifestyles
- Good eating habits
- Physical exercises
- Positive attitude
- Maintaining values

### Workshop on Multiple Intelligence Inspired Growth

A counselling session was conducted for the students, parents and teachers of Sinhgad Public School, Pandharpur on January 21, 2017. The workshop speaker was Mr. Jitendra Sandu, CEO of TAAS, who has created the world's first patented dynamic talent product - Strength Optimization System (SOS) for students and teachers based on multiple intelligence framework. He has conducted more than 800 training sessions.

**Students and Parents Counselling:** The session was conducted on "Career Guidance and Counselling for future success" where speaker stressed on the selection of career that matches one's interest, potential, personality and attitude and thereby take appropriate action.

**Teachers' Counselling:** The session was on "Multiple Intelligence" with activities that showed each individual as unique and the way of perception differs. Teachers understood the implementation of this theory in scholastic and non-scholastic areas which will help to develop the overall personality of the students.

## CHILDLINE INDIA FOUNDATION (CIF)

The CHILDLINE service, which has been developed and managed by CHILDLINE India Foundation (CIF), is a 24x7, emergency, free phone outreach service linking children in need of help and protection to organisations run by government departments as well as those run by civil society agencies. Children or concerned adults dial the number 1098 and are connected to the CHILDLINE service in their city.

Street children and youth living alone on urban streets, child labourers especially in the unorganized sector, children who have been abused, child victims of the flesh trade, differently-abled children, child addicts, children in conflict with the law, children in institutions, mentally ill children, children affected by HIV/AIDS or other long term diseases, children affected by conflicts and disasters, child political refugees, children whose families are in crisis, gender linked abortion of female foetuses, undernourished children, illiterate children are among the host of issues plaguing children in India.

As of March 2017, CHILDLINE operates in 412 cities and/towns across the country and services over 13 million calls a year.

**CHILDLINE is India's first national level response to the ratification of the United Nations Convention on the Rights of the Child (UNCRC). Additionally, the CHILDLINE 1098 service receives special mention in the Juvenile Justice (Care and Protection) Act 2000 - the Government has requested CHILDLINE to act as a catalyst in bringing together State agencies and voluntary agencies at the local level to ensure implementation of the Act.**

The Government of India cites the CHILDLINE service as part of services to UN for the United Nations Convention of Child Rights commitments. When the Ministry of Women and Child Development (MWCD) came into being in 2006, it recognized CHILDLINE India Foundation as the Nodal Mother NGO for implementing the CHILDLINE model across all districts in India. Furthermore in order to put in place a process framework for the implementation of Child Protection, CHILDLINE joined hands with The National Institute of Social Defence and developed a program: 'National Initiative for Child Protection (NICP)'. This has subsequently become the framework for the MWCD - initiated Integrated Child Protection Scheme program (ICPS). The Integrated Child Protection Scheme (ICPS) of the ministry funds the expansion of CHILDLINE services and has targeted the end of the 12th Five Year Plan to cover more than 600 districts of India.

### OBJECTIVES OF CHILDLINE INDIA FOUNDATION

- To reach out to every child in need of care and protection by responding to emergencies on 1098 and by physically reaching out to children.
- To adapt and integrate telecommunication technology, linking all districts to the service of 1098, and making it available to all children in need of care and protection.
- To provide a platform of networking amongst organisations and to provide linkages to support systems that facilitates the rehabilitation of children in need of care and protection.
- To work together with the Allied Systems (Police, Health Care, Juvenile Justice, Transport, Legal, Education, Communication, Media, Political and the Community) to create child friendly systems.
- To advocate for services for children that are inaccessible, non-existent or inadequate.
- To create a body of NGOs and Government organisations working within the national framework and policy for children.
- To be a nodal child protection agency in the country, providing child protection services to children in need in need of care and protection.
- To contribute and work towards strengthening and participating in a global movement that addresses issues related to child protection and ensures that children's voices are heard.

## PROGRAMMES AND ACTIVITIES

- Responding to calls on the national toll free number 1098 and provision to rescue and offer emergency outreach services for children in need of care and protection.
- Coordinating rescue and other outreach services with the help of relevant local departments like police, administration, labour, health, railways and others.
- Ensuring proper documentation of all children rescued to facilitate their rehabilitation and restoration, where necessary.
- Producing children before the Child Welfare Committee (CWC) to ensure care and protection.
- Supporting the CWC in the long-term rehabilitation of children, where required.
- Supporting a national network for the tracking of missing children.
- Providing data related to children rescued and rehabilitated for the compilation of a national comprehensive database of child protection.
- Creating awareness and ensuring access to the 1098 Child helpline (CHILDLINE) number.
- Creating research, documentation, awareness and advocacy on issues related to the Child helpline.
- Establishing linkages with other child protection services, community and local bodies to meet the immediate needs of children rescued.

## THE CHILDLINE MODEL

CHILDLINE is a unique partnership between the Government of India, Department of Telecommunications, voluntary agencies, academic institutes, the corporate sector, children and the community.

## THE PARTNERSHIP MODEL OF CHILDLINE INDIA FOUNDATION

CHILDLINE is the crucial link between children in need of care and protection and the available services. For children with different needs, who call in anytime, anywhere, and for anything, we act as a one-point contact, which facilitates instant access to support, advice, active intervention or just a listening ear. We connect children in emergency on one end of the phone line to a well-connected network of services - services that already exist. No new shelter, no new hospital, no new infrastructure is built.

We at CHILDLINE believe that for a helpline to be successful and effective in reaching out to the millions of children deprived of their childhood, we need to work in a partnership framework. A framework that recognizes that:

- A helpline cannot operate in isolation
- All partners involved in the helpline share a reciprocal relationship
- Each partner has clear and definite roles in the partnership model. This leads to a feeling of joint ownership towards the model.
- All partners share the vision, mission and the success of the model

## THE OPERATIONAL STRUCTURES AND PROCESSES OF CHILDLINE INDIA FOUNDATION

### CHILDLINE CONTACT CENTRE (CCC)

CCC is a 24 hour, centralized voice response facility of CHILDLINE using contemporary BPS (Business Processes Services) technology at Vikhroli in Mumbai. The CCC is a continuous operation and tracks all calls coming in including those that land at the switch but are either terminated or 'abandoned' before a CCC member can answer it. CCC uses contemporary CRM software for real time data analysis and currently services all cities in the North and West regions of India.

## **NODAL ORGANISATION**

The nodal organisation is usually an academic institute or Non-Government Organisation with networking, training, coordination and research skills. A city coordinator is supervised by the Nodal Director who ensures creation of a protective environment for children at the city level.

## **EMERGENCY INTERVENTION CENTRES – COLLAB PARTNERS**

The Emergency Intervention Centres are voluntary agencies, which shall function as the intervention units for CHILDLINE. CCC responds to calls that are received on 1098 and transfer the case to the collab partner who carry out the intervention process. The centre coordinator manages a team that intervenes in emergency cases and conducts outreach and networking activities.

## **CHILDLINE SUPPORT AGENCIES/SUB-CENTRES**

CHILDLINE Collaborative Partner is also called the Collaborative Centre. There are, approximately, 5 to 7 Sub- Centres in districts (and 1-3 support agencies in cities) as per the specific need in the district/city, according to the nature of the population and geographical spread in the district. A team of three CHILDLINE staff members assisted by two volunteers from the Mahila Samakhya members, anganwadi workers, teachers and woman members of the panchayat assist the Sub-Centre staff at the taluka and village levels. They will follow up on children who have returned to the village and provide information when children are being recruited and help the local community to prevent child labour.

## **CHILDLINE ADVISORY BOARD OR DISTRICT ADVISORY COMMITTEE (DAC)**

CHILDLINE Advisory Board or District Advisory Committee (DAC) is headed by the Collector and other members including the District Officers for Health and Education. Major NGO like Mahila Samakhya and others stimulate the development of the programme in the district.

## **RESOURCE ORGANISATIONS**

Resource organisations act as centres for referral by CHILDLINE. They include the various organisations and institutions that provide services for children or work on children's issues. They also participate in outreach and awareness programmes for CHILDLINE.
