COVID 19 – CHILDLINE 1098 Emergency Response: East Zone

CHILDLINE 1098 is collaborating with the district administration authorities to spread awareness about COVID -19, its preventive measures and importance of social distancing. All the frontline team members are working continuously to ensure safety and security of children during the lockdown. They are also providing basic necessities, hygiene and precautionary resources to the children and the needy.

Preparing and distributing masks in Bhojpur, Bihar

Distributing cooked meals to the needy in Cuttack, Odisha

CHILDLINE Korba team during COVID-19 awareness session in Chhattisgarh.

Session on importance of social distancing by Kabirdham CHILDLINE, Chhattisgarh.
